EXPERIENCE

<u>Intern Architect</u> Elkus-Manfredi Architects	May 06 - May 07 Boston, Ma
---	-------------------------------

Collaborated on the design and completion of contract documents for a 250,000 sq. ft. academic urban infill and renovation project.

Coordinated with Mechanical engineers, Structural engineers, Theatre consultants, and various other consultants.

Researched requirements and prepared documentation and presentation materials for the public approvals process for various agencies.

<u>Designer/Job Captain</u> JACA Architects: Healthcare Design	Sept. 04 - May 06 Weymouth, Ma
--	-----------------------------------

Collaborated on the design, managed the completion of contract documents, and managed the c.a. phases of numerous renovation and fit-out projects ranging from 2,000 sq. ft. - 10,000 sq. ft.

Researched and implemented Healthcare design guidelines and regulations for specific project related issues as well as for long-range facility compliance.

Collaborated on long-range facility planning and master-planning for several hospitals and healthcare facilities.

Initiated CAD drafting and graphic standards to streamline project completion and to standardize the firm's brand image.

<u>CADD Specialist</u> J/Brice Design International	Sept. 03 - Sept 04 Boston, Ma
---	----------------------------------

Prepared design and construction documents for mid to high-end interior design projects for the hospitality industry.

Implemented and managed CAD standards and systems to improve project efficiency and accuracy.

<u>CapeWind Design and Ideas Competition</u> McCormick Gallery Exhibition	Sept. 06 Boston, Ma
---	------------------------

<u>A.I.A.S Secretary</u> Fairmont State University	Fall 02 - Spring 03
--	---------------------
